Subject: Paremata Wastewater Riser Break - emergency works notification (s.330A(1))

Hi James,

I've left a message on your phone related to this, but we have made several decisions pursuant to s.330 emergency works since last Saturday morning. We are pulling together the documentation for the event and decision-making sequences – as I'm sure you can appreciate this has been a complex and evolving situation, which is still ongoing.

Can you please confirm that the notifications and updates so far have been recorded as notification of the use of emergency powers?

Nga mihi,

Paul
