Tēnā koe Catherine

**Your request for Official information, reference: HNZ00030152**

I am writing in regards to your request that was partially transferred from Manatū Hauora on 28 September 2023, asking for the following under the Official Information Act 1982 (the Act):

*“If so what was(were) the date(s) any product of altered composition was imported into NZ, and date(s) first used on consumers?  
By composition category please supply batch numbers, the sites those batches were distributed to for administration and on what dates.”*

The answers to your questions are as follows:

*If so what was(were) the date(s) any product of altered composition was imported into NZ, and date(s) first used on consumers?*

The monovalent grey cap 30 mcg vaccine was created in the Covid Immunisation Register (CIR) on 28 February 2023. One vaccination event occurred on 28 February 2023. This was followed by an influx of vaccination events on 1 March 2023. Please note, the vaccination event dates are entered by the vaccinator, so there is always a possibility of human error with data entry.

*By composition category please supply batch numbers, the sites those batches were distributed to for administration and on what dates.”*

Please refer to the attached spreadsheet as **Appendix A**.

**How to get in touch**

If you have any questions, you can contact us at [hnzOIA@health.govt.nz](mailto:hnzOIA@health.govt.nz).

If you are not happy with this response, you have the right to make a complaint to the Ombudsman. Information about how to do this is available at [www.ombudsman.parliament.nz](http://www.ombudsman.parliament.nz) or by phoning 0800 802 602.

As this information may be of interest to other members of the public, Te Whatu Ora may proactively release a copy of this response on our website. All requester data, including your name and contact details, will be removed prior to release.

Nāku iti noa, nā
