Subject: Feedback by 2pm Thursday: Draft web content for vaccination assessment tool
Kia ora everyone

I have attached our draft web content for the vaccination assessment tool (CAB paper with the regulations due to be lodged 12pm tomorrow and the regulations to come into effect next Tuesday). It would be great if you could provide any **feedback on the content by 2pm tomorrow**.

Vaccination assessment tool

If your business or workplace isn't covered by a government mandate for COVID-19 vaccination, you can choose to do a risk assessment to see if you can require work to be carried out by vaccinated workers, on health and safety grounds.
