Official information request regarding dean and director salaries

We refer to your official information request dated 31 October 2023:

“Please provide me with a breakdown of salaries for employees in Dean and Director roles. Please provide the data as granularly as possible, though I understand that you may need to provide it in ranges in order to protect personal privacy.”

The information you requested is provided in the table below. The figures show the base salary and allowances (gross per annum) of staff in Dean and Director roles. A minimum of three (3) staff per grouping (between \$10K and \$80K) has been used to enable as much granularity as possible (i.e., rather than the use of salary ranges).
