fyi-request-25771-3f143d82@requests.fyi.org.nz

Dear Carl Berryman

Official Information Act request (OIA 2324-0641)

Thank you for your request for information dated 18 February 2024 made under the Official Information Act 1982 (the Act) to the Ministry of Business, Innovation and Employment (MBIE) You requested the following information:

Can you please provide me with details of all meetings between Fonterra Co-operative Group Limited and Government Ministers during the Covid-19 Pandemic. This is to include meetings in person or zoom or by any other method. The meeting details are to include dates and times, minutes of meetings and any other documentation recorded from these meetings.

Names of all meeting participants are sought including Fonterra Co-operative Group Limited employee Daniel Norris and any other Fonterra Co-operative Group Limited employee.

On 22 February 2024 you were advised that your request had been transferred to the Department of Internal Affairs (the Department) for response because the Department is responsible for information relating to former Ministers of the Crown.

The Department contacted you on 23 February 2024 to seek clarification on your request as in its original format it would likely be refused under section 18(f) of the Act (because the information requested cannot be made available without substantial collation or research). On 7 March 2024 you advised that your amended request was:

Can you please provide me with details of all meetings between Fonterra Co-operative Group Limited and the Minister of Health, and the Minister of Covid Response between March 2021 to September 2021. This is to include meetings in person or zoom or by any other method. The meeting details are to include dates and times, minutes of meetings and any other documentation recorded from these meetings.

Names of all meeting participants are sought including Fonterra Co-operative Group Limited CEO Miles Hurrell and employee Daniel Norris and any other Fonterra Co-operative Group Limited employee.

Response to your request

Ministerial diaries are proactively released on the Beehive website¹. You can select a government term and filter the material you are interested in by specific content, date, and Minister. Ministerial diaries show scheduled meetings held by the Minister relating to ministerial business, which have been recorded in the Minister's diary. It does not include meetings that relate to the Minister's personal, party political, or parliamentary/constituency roles.

To assist you, we have compiled the diaries of Rt Hon Chris Hipkins and Hon Andrew Little for your requested time period of March 2021 to September 2021. See **Appendix A** for reference.

There are no meetings listed in either Rt Hon Chris Hipkins or Hon Andrew Little's Ministerial diaries with the Fonterra Co-operative Group Limited, Miles Hurrell, Daniel Norris, or any other identified Fonterra employee. Therefore, there are no minutes or other documentation recorded that can be provided.

The Department is refusing your request under section 18(e) of the Act, that the document alleged to contain the information requested does not exist or, despite reasonable efforts to locate it, cannot be found.

We may publish this OIA response on www.dia.govt.nz (with your personal details having been removed). Publishing responses to OIA requests increases the availability of information to the public and is consistent with the purpose of the Act to enable effective participation in the making and administration of laws and policies, and to promote the accountability of Ministers and officials.

If you have any concerns with the information in this response, you have a right to request an investigation and review by the Ombudsman under section 28(3) of the Act. Information on how to do this is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

Yours sincerely

Travel logistics are not included. It may include meetings which were in the diary but did not eventuate or were placeholders, and may not include unscheduled meetings.
