Subject: Official Information request - Pilot for non-Government companies for vaccines and mandates

Dear Ministry of Health,

In 2021, the Ministry of Health ran a 'Pilot' (initiative?) with non-Government companies for vaccines and mandates. An example of such companies include Fonterra and Mainfreight, but this request is not limited to those two companies. My request extends to all companies involved with the 'Pilot'.

Can you please provide all details of what this 'Pilot' was, and what it involved?

Who initiated this 'Pilot' and how and when (dates) was this initiated? Please provide all documentation regarding this.

Please provide the names of all people involved with this 'Pilot' and the names of all people representing the non-Government companies.

Please provide the dates, times and locations of all meetings and those who attended these meetings?

Please provide meeting minutes, briefing documents, emails and details of all decisions made and who was involved in the decisions?

Please provide what incentives were offered to these non-Government companies for being a part of the 'Pilot'?

Yours faithfully,

Carl Berryman
