Dear Valerie

Official Information Act request – Communications with the GCSB including rescheduling of event

I refer to your further request received on 12 October 2015 under the Official Information Act for "...information about the rescheduling of the event provided. I acknowledge that any material about the second part of this request post-13 September represents an additional request."

Please find enclosed a complete copy of the information you are entitled to.

As you will note, some names and identifying contact details have been redacted. These have been redacted under section 9(2)(a) of the Official Information Act 1982 and cover names, contact details and email addresses of GCSB staff.

We also wish to advise that in addition to these emails, that the Privacy Commissioner had an initial discussion by telephone with a GCSB staff member. There was also a further telephone conversation between the Privacy Commissioner and Ms Jagose regarding arrangements for the rescheduled forum.

The Privacy Commissioner also wishes to advise that it was his suggestion to filter registrants and to have security at the venue for the rescheduled event.

You have the right to ask the Ombudsman to review this decision.

Yours sincerely
