Dear Valerie Morse

I refer to your email of 29 September and our subsequent correspondence of 16 October in which you request the following under the Official Information Act 1982 (OIA):

"Please provide a list of successful, commercial applications for an export permit (single, multiple or general consents) under Part 1 of the Strategic Goods List, with name of applicant and the nature and exact quantity and value of the export item, for the years 2013/14 and 2014/15 (the last, if currently available)."

Attached are two tables which set out the consent classification, as well as providing a description and quantity of the export items under Part 1 of the Strategic Goods List.

As these applications are processed by calendar year, these tables set out the applications received in the period 1 January to 30 December 2013 and 1 January 2013 to 31 December 2014 respectively.

Please note that, in the case of general consents, it is not necessary for commercial applicants to specify the quantities they are proposing to export. Consequently, no figures for quantity are recorded in these cases.

We are withholding in full the release of the names of the individual applicants under section 9(2)(a) of the OIA to protect the privacy of natural persons, and section 9(2)(b)(ii) on the grounds it is commercially sensitive.

As it may also be possible to identify the names of exporters from the quantity of the item being exported, we have also withheld details of quantity under sections 9(2)(a) and 9(2)(b)(ii) of the OIA in these cases.

We are also withholding in full the release of information relating to the value of the export items under section 9(2)(b)(ii) on the grounds of commercial sensitivity.

Where the information has been withheld under section 9 of the OIA, no public interest in releasing the withheld information has been identified that would be sufficient to override the reasons for withholding it.

You have the right under section 28(3) of the OIA to seek a review of this response by the Ombudsman.

Yours sincerely

A handwritten signature in black ink, appearing to read 'Joana Johnston', written in a cursive style.
