Dear Mr Grainger

Official Information Act Request: United Nations General Assembly Resolution 2758

We refer to your email of 25 July 2012 requesting information held by the Ministry of Foreign Affairs and Trade (the Ministry) regarding United Nations General Assembly Resolution 2758 and New Zealand's vote in respect to this Resolution, under the Official Information Act (the Act).

Information relating to these subjects is now held by Archives New Zealand, and is open to public access. This applies specifically to file 264/4/14, Recognition of Communist China, covering the 1971 period.

Under s.18(d) of the Act, the Ministry is not obliged to do any research into publicly accessible material, or to provide copies of such material. Our advice in this instance is to contact Archives New Zealand with a request for information to gain access to the relevant file.

Yours sincerely

Grahame Morton
for Secretary of Foreign Affairs and Trade
