Dear Mr Kibblewhite

Official information request for the Crown's social objectives for housing

I refer to your official information request dated 2 January 2019 for the written notice of the Crown's social objectives for the provision of housing and services from 2010 to 2018.

The information you have requested is attached. Please note that the Enduring Letter of Expectations 2008 has been included because it forms a basis for, and is referred to, in subsequent letters. Please also note that different administrations have supplied the social objectives for housing in differing formats over the years.

Yours sincerely
