(1) Income Earners and Size Groups of Occupants - Categories of Income earners per household from six-person households onwards have, together with information on nine or more person households, been omitted, as numbers occurring in these categories were too few to be representative.
 (2) Numbers in this category are too few to be representative.
 (3) The categories of 'one woman with 1,2,3 and 4 or more children' have been amalgamated into 'one woman with one or more children', as the other groups were individually too small to be representative.

NOTE: Due to rounding individual items will not necessarily add to total figures.
